

“LISD is a huge business. The LISD Board needs people with business experience. It also needs people who care about educational outcomes for our children and who care about tax impacts on us all. Dan Mahoney meets all those needs.”

“We have known Dan Mahoney for over a year and have been impressed with him from the beginning to his commitment to educating children in Cedar Park and the Round Rock area! We support his amazing effort to help all children in the LISD School system where our own children go to school and look forward to having him represent us. We are very honored to pledge our support to Dan Mahoney for LISD School Board and our votes!”
